5. **BUSINESS AGENDA:**

Review action items from prior meeting

Recycling program- Currently 96 customers, 59 on 1 route, and 37 on another. Only about half are using the service weekly. Have not had any customers reaching out with questions after launch. Nine hundred customers were given the opportunity to participate with SC Johnson stating that about a third of customers actually participate. Unsure if program will continue after pilot. Chad answered questions regarding glass recycling and stated that it was turned down by the commissioner's years ago.

Tires- Waiting for L & S Tire Recycling to come out for a meeting. Current Tire Disposal Company not responding to calls or emails regarding pickup. Wendy will look into DOE program for tires under a new grant that starts in October. Delroy will reach out to Grays Harbor.

CROP- Step 1. Inventory current recycling collection services and programs.

Step 2. Develop scope of work with stakeholders

Step 3. Prioritize the recycling program(s) to focus on first

Step 4. Establish acceptable materials lists.

Organics Bill – DOE currently has a draft outline regarding the ordinance. E2SHB 1799... will look further into the bill
