Tires- L&S doing awesome! 40 ton of tire have been loaded already. \$360/ton roughly \$3 per tire. They aren't picky on the type of tire.

CROP- Went over current status- obtaining pictures, public outreach as well as other materials to have steps 1-4 completed.

Organics Bill – Delroy stated county should do procurement ordinance to determine if it is required for Mason County. Deadline is lenient. Department of Ecology has been contacted with questions. Debate on the 50% buy back- we send it out by weight, buy back is by yard. Value is not defined. Currently Mason County yard debris is taken to Brady Trucking for recycle and turned to mulch. Clean Green cannot have any noxious materials- attendants will have to start screening. Outreach would be heavy.
