

MGT 416 Introduction to Continuity of Government Planning for Rural Jurisdictions

Tuition Free!

Shelton, WA / Thursday, November 7, 2019

This is an eight-hour planning and management-level course designed to help government officials and emergency responders in rural areas with the development of continuity plans that will help officials ensure essential government services remain functional across a spectrum of emergencies.

This course will expose participants to the benefits of developing continuity of government plans for rural communities with special focus on succession planning, delegation of authority, redundant communications, and alternate facilities.

Topics include, but are not limited to:

- Address resource needs
- Succession planning
- Plan for alternate communications
- Designate alternate facilities
- Authority delegation
- Identify critical equipment needs
- Ensure personnel are properly trained

Who Should Attend

- Emergency managers
- Government officials
- First responders
- Local business representatives
- Community group leaders
