

ABOUT THE BELFAIR MOBILITY PLAN

Mason County is updating the transportation element of the Belfair Urban Growth Area Plan as recommended in the 2016 Mason County Transportation Plan. This update will revisit underlying assumptions and recommendations from previous plans, taking into consideration recent investments in SR 3 and the pending Belfair Bypass that will get underway in 2019.

No one knows Belfair's transportation issues and opportunities better than the people who live and work here, and travel through Belfair on a regular basis. We want to hear from you.

Please visit the project website <https://www.belfairmobility.org/>. It provides easy access to previous plans and studies, links to media and other project resources, current status and information on the transportation planning process, and contact information so that you can share your questions, ideas, and concerns directly with the project team at your convenience.

Thank you for taking the time to learn about the Belfair Mobility Plan and sharing your thoughts.
