[Adopted effective 9-1-2012]

LOCAL SUPERIOR COURT CIVIL RULES (LCR)

LCR 7 MOTIONS

(b) Motions and Other Papers.

(1) How Made.

(A) *Motion Docket.* There shall be a civil motion docket held according to the published schedule available at the courthouse or through the Mason County Superior Court Administrator's Office at http://www.masoncountywa.gov/superior_court. All civil motions and motions for revision shall be heard on the civil motion docket.

The schedule may change. Parties and counsel are advised to review the current schedule before noting matters for hearing. Incorrectly scheduled matters may be stricken.

(B) *Confirmation Procedures.* For a contested matter to be heard by the court, the hearing must be confirmed as set forth below. This includes hearings scheduled by notice of issue or court order, including hearings which are administratively continued.

(i) Confirmations must be made by calling the Clerk of the Court at (360) 427-9670, Ext. 346, or by e-mail at superiorcourt-confirm@masoncountywa.gov, no later than 10:00 a.m. two (2)

court days prior to the civil motion docket (example: for a motion on Monday, confirmation must be made by 10:00 a.m. on Thursday of the preceding week).

- (ii) If the deadline for confirmation falls on a court holiday, confirmations shall be made before 10:00 a.m. on the last court day before the holiday.
- (iii) Motions filed by those persons physically confined under a court order shall be deemed confirmed at filing.
- (iv) Matters not confirmed may be heard at the end of the docket only at the discretion of the Court and upon agreement of all parties.

(C) *Continuance of Confirmed Matters.* Matters confirmed in accordance with paragraph (B) (i) and (ii) are not subject to continuance, except with permission of the Court. If not heard, these matters shall be *stricken* and may be re-noted by the moving party.

(D) *Time Limits.* Arguments on motions other than summary judgment shall be limited to ten (10) minutes per side. Arguments which will exceed the time limit of this rule, if allowed by the Court, will ordinarily be placed at the end of the docket.

[Amended effective 9-1-2010; 9-1-2012; 9-1-2013; 9-1-2015]

LCR 16 PRETRIAL PROCEDURE AND FORMULATING ISSUES

(c) Public Records Act Cases - *In Camera* Review.

(1) When commenced. In a Public Records Act case, *in camera* review will occur only if the court enters an order requiring such review. Agreement between parties or submission of records to the court, without an appropriate order, will not trigger *in camera* review.

(2) Electronic records. Records for *in camera* review shall be submitted in an electronic form unless the court orders otherwise on a showing of good cause.

(3) Identification of records. Records for *in camera* review must have a unique identifying number, such as a Bates number. The system for numbering and the placement of page numbers must be uniform for all records.

(4) Entirely exempt record. If a record is claimed entirely exempt, it must be clearly designated as exempt or withheld on the first page of the document for *in camera* review.

(5) Identification of redactions. Records redacted in part must be submitted to the judge in a manner that will permit the judge to read the entire record and immediately

understand which parts were withheld by redaction and which parts were produced. For example, the redactions may be outlined or indicated with a lightly shaded or colored overlay.

(6) **Submission of spreadsheet.** In cases with numerous records at issue, or if ordered by the judge, a spreadsheet shall be submitted as part of the *in camera* procedure. The spreadsheet must clearly identify which records are claimed entirely exempt and have been withheld and which records have been redacted in part. The spreadsheet(s) shall list the following information in separate fields or columns: (A) the unique identifier for the record or page being reviewed, such as a Bates number; (B) descriptive information that accurately identifies the record, including author(s), recipients(s), and date(s) (or if descriptive information is protected, other means of sufficiently identifying particular records without disclosing protected content); (C) identification of a specific exemption claimed and an explanation of how it applies to the record; and (D) an expandable cell for the court's notes. The spreadsheet shall be filed and served on all parties and also shall be submitted to the court in electronic form.

(7) **Basis for exemption.** The basis for the claim of exemption may appear on the document if doing so would not obliterate text or other information necessary for the court's review.

[Adopted September 1, 2013]

LCR 40 ASSIGNMENT OF CASES

(b) STATUS CONFERENCES, MEDIATION, TRIAL SETTING CONFERENCES

1. Status Conferences.

1.1 A status conference may be assigned at the time a case is filed, by notice from the court administrator's office, or upon motion of any party.

1.2 At the status conference, the court may set a discovery schedule, mediation deadline, a trial setting conference date, and other dates and deadlines as necessary, or may transfer the case to arbitration.

2. Mediation.

2.1 **Presumption of Mediation.** It is presumed that all contested civil and family law matters, with the following exceptions, will have completed mediation prior to a trial date being assigned:

- Dependencies and termination of parental rights;
- Uniform Parentage actions, up until establishment of paternity;
- Matters in which a domestic violence or sexual assault protection order is in place;

- Petitions for Civil Commitment (Sexual Predators);
- Actions regarding seizure of property by the State;
- Matters that have been previously mediated consistent with the standards set forth in this rule; and
- By court order upon motion of any party, upon the court's determination that there is good cause not to require mediation.

Any party may move the court for an order that there is good cause to require mediation in any matter, including those cases designated as exceptions above.

2.2 Mediators. Parties may stipulate to a mediator from the Mediation Panel established by the court or other mediator not on the Mediation Panel who has qualifications and knowledge of the subject matter. If the parties cannot agree, the court shall upon motion by any party appoint a mediator. Appointment of a mediator is subject to the mediator's right to decline to serve.

2.3 Cost of Mediation. Parties may stipulate to the allocation of mediation costs. If the parties are unable to agree, the court will order the same upon motion of any party.

2.4 Mediation Orders and Process.

2.4.1 Mediation Status and Terms. If the parties agree as to mediation status and/or terms, they may so stipulate and submit an agreed order for the court's approval prior to the mediation deadline. If the parties are unable to agree to the status and/or all terms of mediation, a party may file and note a motion for entry of an order setting the status and terms of mediation.

2.4.2 Litigation Process During Period of Mediation. Pending mediation, all litigation processes such as discovery, motions for temporary orders, and motions for dispositive orders shall continue.

2.4.3 RCW ch. 7.07. All mediations undertaken pursuant to this Rule are subject to the provisions of RCW ch. 7.07, the Uniform Mediation Act, including its requirements regarding privilege and confidentiality.

2.4.4 Civil Mediation Statements. In civil actions, all parties shall prepare and deliver a Civil Mediation Statement to the mediator and opposing parties, no later than five working days prior to the mediation. The statement shall not be filed with the court.

2.4.5 Family Law Mediation Statement or Family Law Information Form. In family law actions, all parties shall prepare and deliver a Family Law Mediation Statement or Family Law Information Form to the mediator, opposing parties, and the State of Washington, if the State is a party, no later than five working days prior to the mediation. The Family Law Information Form is available on the Mason County Superior Court website. The statement or form shall not be filed with the court.

2.4.6 Appearance at Mediation. The parties shall appear in person at mediation unless otherwise agreed to by the parties or the court orders in advance that they may be present by telephone or electronic means sufficient to allow full participation. Each party shall ensure the presence of a person or persons with decision making authority at the mediation.

2.4.7 Mediation Report. Within five days after completion of mediation, the parties shall file a Mediation Report indicating whether the case has been resolved. A copy of the Mediation Report shall be provided to the court administrator's office.

3. **Discovery.**

Discovery shall be completed in accordance with the case schedule set at the time the case is filed or at a status conference. Exceptions will be made only upon prior approval of the court, and for good cause.

4. **Trial Setting Conference.**

4.1 A date for a trial setting conference may be set at the time case is filed, at a status conference, by notice from the court administrator's office, or upon motion of any party. A party may also request an accelerated trial date by motion at any time prior to the trial setting conference date.

4.2 Trial setting conferences shall not be continued absent a showing of good cause and upon prior approval of the court.

4.3 At the trial setting conference, the court shall consider compliance with dates and deadlines, the status of mediation, and readiness for trial.

5. **Sanctions for Noncompliance.**

Failure to comply with deadlines, dates, or other requirements set out in these rules, or failure to appear at a conference set by the court, may result in sanctions being imposed, including terms. The court may also strike a trial date if mediation has not been completed by the applicable deadline.

[Amended effective 9-1-2011; 9-1-2018; 9-1-2020]

LCR 53.2 COURT COMMISSIONERS

(e) **Revision by Court.**

1. *Scope of Rule.* This rule applies to all motions for revision.

2. *Filing and Service Deadline.* A motion for revision must be filed within ten days after the commissioner's order or judgment is entered (RCW 2.24.050) and must be served in the manner and time required by all other applicable rules.

3. *Transcripts.*

3.1 A party moving for revision must provide a copy of the transcript of the hearing before the court commissioner, unless:

- (i) they have presented to the court commissioner proposed findings of fact and conclusions of law to support the order or judgment (The Administrative Office of the Court-approved form Order of Child Support and Child Support Worksheets may constitute findings of fact and conclusions of law for motions for revision on issues of child support); and
- (ii) there was no live testimony heard before the court commissioner.

3.2 A party moving for revision is responsible for ensuring that the transcript of the proceedings is filed with the court at least five business days before the hearing for the motion. To order the transcript, the moving party must contact Court Administration within five days of filing the motion for revision. The moving party is responsible for paying for the transcript or obtaining a fee waiver if he or she is indigent.

4. *Form of Motion.* The moving party shall specify each portion of the findings, conclusions and/or order to be revised and identify each document before the Court Commissioner at the time of hearing.

5. *Hearing on Motion.* At the time a motion for revision is filed, the moving party shall schedule a hearing by filing a notice of hearing. The hearing on the motion for revision shall be scheduled to occur within 30 days after the motion for revision is filed, unless the court orders otherwise for good cause as provided in this rule. Motions for revision shall be heard on the Civil Motions Calendar, unless otherwise directed by the Court.

6. *Timely Hearing.* A hearing on a motion for revision shall be conducted within 45 days after the order at issue is entered unless the court grants a continuance for good cause. A motion to continue the hearing must include reasons to support the motion and an explanation of whether a transcript has been timely requested and whether the transcript is ready. Agreed motions may be presented ex parte.

7. *The Record.* The motion for revision shall be heard upon the record before the court commissioner.

8. *Effect of Motion.* When a motion for revision is timely filed the following shall occur:

8.1 With the exception of findings of fact and conclusions of law, until the revision proceeding is completed, the court commissioner loses jurisdiction to conduct further proceedings and/or enter orders on issues that are the subject of revision proceeding.

8.2 The court commissioner may continue to hear proceedings and/or enter orders on issues that do not involve the subject of the revision proceeding.

8.3 A court commissioner's order shall remain valid and in effect pending the outcome of a motion for revision unless stayed by a court order.

Notice for Parties Who Do Not Have a Lawyer" with the papers in support of the motion. This notice shall be on a form approved by the court and available on the court's website. The represented party shall also serve a copy of CR 56.

[Adopted Effective September 1, 2023]

LCR 65 INJUNCTIONS

(f) Motions for Ex Parte Restraining Orders.

(i) **Applicability.** This section applies to motions for temporary restraining orders (also known as Ex Parte Restraining Orders) entered on an emergency basis to prevent immediate injury, loss or damage. If unrepresented, notice shall be given to the opposing party. If necessary, notice may be by telephone. The moving party or attorney shall certify to the court in writing the efforts which have been made to give notice to the opposing party. Such notice is required in all cases unless the moving party clearly shows by sworn declaration that immediate injury, loss or damage will result if notice is given. Failure to give notice may result in the imposition of terms and/or sanctions on the moving party and/or his/her attorney.

(iii) **Where Presented.** The moving party shall present the Motion for Ex Parte Restraining Order and Order to Show Cause on the Ex Parte Docket, unless otherwise allowed by a judicial officer for exigent circumstances.

(iv) Motion to Quash Ex Parte Restraining Orders Entered Without Notice. Unless otherwise directed by the court, a party seeking to quash an Ex Parte Restraining Order entered without notice shall present the motion on the Ex Parte Docket. [Adopted effective September 1, 2017; amended effective September 1, 2023]

LOCAL SUPERIOR COURT CIVIL ARBITRATION RULES **(LSCCAR)**

1. SCOPE AND PURPOSE OF RULES

LSCCAR 1.1 APPLICATION OF RULES

The purpose of mandatory arbitration of civil actions under RCW 7.06, as implemented by the Superior Court Civil Arbitration Rules, is to provide a simplified and economical procedure for obtaining the prompt and equitable resolution of disputes. The Superior Court Civil Arbitration Rules, as supplemented by these local rules, are not designed to address every question which may arise during the arbitration process, and the rules give considerable discretion to the arbitrator. The arbitrator should not hesitate to be informal and expeditious, consistent with the purpose of the statute and rules.

[Amended effective September 1, 2012; September 1, 2020.]

LSCCAR 1.2 MATTERS SUBJECT TO ARBITRATION

The following matters are subject to mandatory arbitration: (a) civil actions at issue in the Superior Court where the sole relief sought is a money judgment not in excess of \$100,000, exclusive of attorney fees, interest, and costs; and (b) claims in which the sole relief sought is the establishment, modification, or termination of maintenance or child support payments which are not capable of resolution on the motion docket or by agreement, regardless of the number or amount of payments.

[Amended effective September 1, 2012; September 1, 2018; September 1, 2020.]

LSCCAR 1.3 RELATIONSHIP TO SUPERIOR COURT JURISDICTION AND OTHER RULES

(c) Motions. All motions before the court relating to mandatory arbitration shall be noted on the civil motion calendar except as may be otherwise provided in these rules.

[Adopted effective September 1, 2012; amended effective September 1, 2020.]

2. TRANSFER TO ARBITRATION AND ASSIGNMENT OF ARBITRATOR

LSCCAR 2.1 TRANSFER TO ARBITRATION

(a) Court Order Required. Cases shall be transferred to arbitration only by court order and after mediation has been completed pursuant to LCR 40.

(b) Statement of Arbitrability. When any party determines that the case is ready for trial and that the case is subject to mandatory arbitration, such party shall file and serve a Statement of Arbitrability on the form prescribed by the Court.

(c) Response to Statement of Arbitrability. Any party disagreeing with the Statement of Arbitrability shall, within ten (10) days after the Statement of Arbitrability has been served, file and serve a Response to the Statement of Arbitrability on the form prescribed by the Court. In the absence of such a response, the Statement of Arbitrability shall be deemed correct and a non-responding party shall be deemed to have stipulated to arbitration if the Statement of Arbitrability provides that the case is subject to mandatory arbitration.

(d) Failure to File - Amendments. A party failing to file and serve an original response within the time prescribed may later do so only upon leave of the court. A party may amend the Initial Statement of Arbitrability or response at any time before assignment of an arbitrator or assignment of a trial date, or thereafter only upon leave of the Court for good cause shown.

(e) By Stipulation. A case in which all parties file a stipulation to arbitrate under SCCAR 8.1(b) regardless of the nature of the case or amount in controversy may be transferred to arbitration by court order presented to the Court with the stipulation.

(f) Interpreter. In a case transferred to arbitration, if a party: (1) is hearing impaired or has a limited ability to speak or understand the English language, or (2) knows, or after reasonable inquiry has reason to believe, that any other party or any witness is hearing impaired or has limited ability to speak or understand the English language, the party shall advise the Arbitration Supervisor in writing that an interpreter is needed.

[Amended September 1, 2012; September 1, 2020.]

LSCCAR 2.3 ASSIGNMENT TO ARBITRATOR

(a) Generally. When a case is set for arbitration, a list of five proposed arbitrators shall be furnished to the parties by the Arbitration Supervisor. A list of other approved arbitrators shall be furnished upon request. The parties are encouraged to stipulate to an arbitrator. In the absence of the stipulation, the arbitrator shall be chosen from among the five proposed arbitrators in the manner defined by this rule.

(1) **Response by Parties.** Within fourteen (14) days after the list of the proposed arbitrators is furnished to the parties, each party shall nominate two arbitrators and strike two arbitrators from the list. If both parties respond, an arbitrator nominated by both parties shall be appointed. If no arbitrator has been nominated by both parties, an arbitrator shall be appointed from among those not stricken by either party.

(2) **Response by Only One Party.** If only one party responds within fourteen (14) days, an arbitrator shall be appointed from that party's response.

(3) **No Response.** If neither party responds within fourteen (14) days, the arbitrator shall be randomly appointed from the five proposed arbitrators.

(4) **Additional Arbitrators for Additional Parties.** If there are more than two adverse parties all represented by different counsel, one additional proposed arbitrator shall be added to the list for each additional party so represented with the above principles of selection to be applied. The number of adverse parties shall be determined by the arbitration department, subject to review by the Presiding Judge.

[Adopted effective September 1, 2012; amended effective September 1, 2020.]

3. ARBITRATORS

LSCCAR 3.1 QUALIFICATIONS

(a) **Qualifications.** All arbitrators shall meet the qualifications to serve as an arbitrator as prescribed by SCCAR 3.1 and RCW 7.06.040 (and any amendments thereto).

(b) **Arbitration Panel.** There shall be a panel of arbitrators in such numbers as the Superior Court Judges may determine. A person desiring to serve as an arbitrator shall complete an information sheet on the form prescribed by the court. A list showing the names of the arbitrators available to hear cases and information sheets will be available for public inspection in the Superior Court Administration Office. The oath of office on the form prescribed by the court must be completed and filed prior to an applicant being placed on the panel.

(c) **Refusal - Disqualification.** The appointment of an arbitrator is subject to the right of that person to refuse to serve. An arbitrator must notify the Arbitration Supervisor immediately if refusing to serve, or if any cause exists for the arbitrator's disqualification from the case on any of the grounds of interest, relationship, bias, or prejudice set forth in the Code of Judicial Conduct governing disqualification of judges. If disqualified, the arbitrator must immediately return all materials in a case to the Arbitration Supervisor.

[Amended September 1, 2012; September 1, 2020.]

LSCCAR 3.2 AUTHORITY OF ARBITRATOR

In addition to the authority given to arbitrators under SCCAR 3.2, an arbitrator has authority to require a party or attorney advising such party, or both, to pay the reasonable expenses, including attorney's fees, caused by the failure of such party or attorney, or both, to obey an order of the arbitrator unless the arbitrator finds that the failure was substantially justified, or that other circumstances make an award of expenses unjust. The arbitrator shall make a special award for such expenses and shall file such award with the Clerk of the Court, with proof of service on each party. The aggrieved party shall have ten (10) days thereafter to appeal the award of such expense in accordance with the procedures described in RCW 2.24.050. If within ten (10) days after the award is filed no party appeals, a judgment shall be entered in a manner described under SCCAR 6.3.

[Amended effective September 1, 2012; September 1, 2020.]

4. PROCEDURES AFTER ASSIGNMENT

LSCCAR 4.2 DISCOVERY

(a) Discovery Pending at the Time Arbitrator is Assigned. Discovery pending at the time the case is assigned to an arbitrator is stayed pending order from the arbitrator or except as the parties may stipulate or as authorized by SCCAR 4.2 and LSCCAR 4.2 below.

(b) Additional Discovery. In determining when additional discovery beyond that directly authorized by SCCAR 4.2 is reasonably necessary, the arbitrator shall balance the benefits of discovery against the burdens and expenses. The arbitrator shall consider the nature and complexity of the case, the amount in controversy, values at stake, the discovery that has already occurred, the burdens on the party from whom discovery is sought, and the possibility of unfair surprise which may result if discovery is restricted. Authorized discovery shall be conducted in accordance with the civil rules except that motions concerning discovery shall be determined by the arbitrator.

(c) Interrogatories. Notwithstanding the foregoing, the following interrogatories may be submitted to any party:

- (1) State the amount of general damages being claimed;
- (2) State each item of special damages being claimed and the amount thereof;
- (3) List the name, address and phone number of each person having knowledge of any facts regarding liability, and a short summary of their intended testimony at the arbitration hearing;
- (4) List the name, address and phone number of each person having knowledge of any facts regarding the damages claimed, and a short summary of their intended testimony at the arbitration hearing;

(5) List the name, address and phone number of each expert witness you intend to call at the arbitration. For each such expert, state the subject matter on which the expert is expected to testify; state the substance of the facts and opinions to which the expert is expected to testify, and a summary of the grounds for each opinion.

Only these interrogatories, with the exact language as set out above, are permitted, except as permitted by section (a).

[Amended effective September 1, 2012; September 1, 2020.]

5. HEARING

LSCCAR 5.1 NOTICE OF HEARING

In addition to the requirements of SCCAR 5.1, the arbitrator shall give reasonable notice of the hearing date and any continuance to the Arbitration Supervisor.

[Amended effective September 1, 2012; September 1, 2020.]

7. TRIAL DE NOVO

LSCCAR 7.1 REQUEST FOR TRIAL DE NOVO

(a) Service and Filing. In addition to the provision for service and filing in SCCAR 7.1, a copy of the Request for Trial de Novo shall be provided to the Arbitration Supervisor.

(d) Calendar. When a trial de novo is requested as provided in SCCAR 7.1, a status conference shall be set by the court administrator in accordance with LCR 40.

[Amended effective September 1, 2012; September 1, 2020.]

8. GENERAL PROVISIONS

LSCCAR 8.1 STIPULATIONS

(b) Form. When the award is filed, the arbitrator shall submit to the Court Administrator a request for payment on a form prescribed by the Washington State Administrative Office of the Courts. The presiding judge shall determine the amount of compensation to be paid.
