Points: 10 - Observation: Prepped Salads with temperature at 52.5°F to 55°F. Delivered from central kitchen.
Corrective Action: Cold Hold all prepped salads in refrigeration immediately after delivery to maintain 41°F or below. With warm weather that effects temps do not place on salad bar until service time.

Total Red Points: 10

Points: 5 - Observed the open front reach-in cooler with hot-dogs and sausages with temperature ranging from 41.3F-45F. All TCS Foods must be cold held at 41F or below. Service cooler and monitor Temps. Remove product in that area and place in proper cold holding refrigeration if temperatures do not drop to 41F or below.

Total Red Points: 5
