Washington State Department of Ecology

Prepared by
Amy Georgeson

**Mason County Northshore Pollution Identification and Correction
Grant # G1000122
Quarterly Report, October 1, 2009 – December 30, 2009**

Work performed throughout the quarter:

Task 1 – Project Administration and Management

Staff identified milestones and goals for this project, to help keep on task throughout the grant contract period.

Task 2- Shoreline Survey/Water Quality Monitoring

Mason County Public Health began work on the QAPP for this project. MCPH also researched equipment to be purchased under this contract.

Task 3- Septic System Surveys

No surveys have been completed yet, as QAPP is not yet approved.

Task 4- Public Outreach

No work has been performed as public outreach
