RE: Mason Lake County Park Dedication

The Mason County Board of Commissioners would like to extend an invitation to the public to help Mason County celebrate the re-opening of Mason Lake County Park, located at **6011 East Mason Lake Drive West**. Mason County recently renovated the boat launch, dock, parking and ADA improvements with a grant award from the Recreation and Conservation Office (RCO) – Boating Facilities Program Grant.

The original facilities at Mason Lake County Park were developed in the 1970's and had not seen any significant improvement since that time. The recent renovation program rebuilt almost every feature of the park. The boat ramp was completed renovated, the dock renovated and expanded and the parking capacity increased.

The dedication is scheduled for **Tuesday, May 17th, 2:00 p.m.** at the park. A short dedication ceremony will be conducted and refreshments and snacks will be available.

If you have any questions about the Mason Lake County Park dedication, please contact John Keates at Mason County Parks, 427-9670, ext. 669.
