**RE: Mason County Matlock Historic Resources Survey and Inventory Request for Proposals**

---

The Mason County Commissioners and the Mason County Historic Preservation Commission is pleased to announce that proposals are being accepted from qualified candidates to conduct a reconnaissance level Historic Resources Survey and Inventory for the Matlock area and the mainline of the logging railroad grade between Shelton and the Grays Harbor County line.

The Mason County Historic Preservation Commission is endeavoring to produce a series of Historic Resource Surveys and Inventories around Mason County. Previous surveys have been conducted for the SR 101 corridor and the Case Inlet/Grapeview shorelines. Work on the current survey would begin in either December 2014 or January 2015 and conclude by July 31 2015.

Proposals need to be received by 5:00 PM October 16, 2014.

For additional information for submission of proposals please visit the MCHPC website <http://www.co.mason.wa.us/historic/index.php> or contact Mr. Michael MacSems at 427-9670 ext. 571.
