RE: Amendments to Title 16 of Mason County Code Regarding Performance Subdivisions

The Mason County Board of Commissioners will consider amendments to Title 16 of the Mason County Code as it relates Performance Subdivisions. Green Diamond Resource Company has submitted an application proposing two amendments specific to Title 16 amending Chapters 16.08 and 16.21. The amendment to Chapter 16.08 would revise the definition of "cluster" excepting performance subdivisions from its application; and a new section is proposed for 16.21 allowing for discretionary non-contiguous open space in performance subdivisions.

A public hearing has been scheduled for July 15 at 9:30 AM and July 22 at 6:30 p.m. to allow for public questions and comments regarding this proposal. To obtain additional information on these amendments, please contact Barbara Adkins at (360) 427-9670, ext 286.
