RE: COUNTY ADOPT-A-ROAD PROGRAM

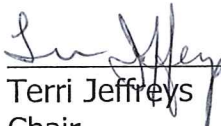

---

Mason County Public Works wants to remind citizens of an important and rewarding volunteer opportunity within our community – the Adopt-A-Road program. Volunteer groups play an important part in keeping roadsides free of litter, protecting our natural beauty, and demonstrating community pride.

The program was initiated in 1995 and is more important today than ever. State litter control program funding has been significantly reduced in recent years resulting in fewer cleanups on state roads and reduced local grants.

To learn more about how you can help keep Mason County free of litter and protect our natural beauty, please contact Mason County Public Works 360-427-9670; Belfair 275-4467; Elma 482-5269, Ext. 450.
