

R E S O L U T I O N N O . 231

WHEREAS, the Washington State Highway Commission has recently adopted and distributed "Standard Specifications for Road and Bridge Construction - Edition of 1972", and

WHEREAS, the current Washington State Highway Department Specifications are used not only on Federal Aid Secondary projects but are also used on County-contract construction,

NOW, THEREFORE, BE IT RESOLVED that the State of Washington Standard Specifications for Road and Bridge Construction - Edition of 1972 is hereby adopted as the Mason County Standard Specifications for Road and Bridge Construction.

BE IT FURTHER RESOLVED that the Mason County Engineer is hereby authorized and directed to utilize these standard specifications, with such modifications and special provisions as may be required to adapt to special conditions, in the preparation of contracts for road construction in Mason County.

DATED this <sup>20</sup>~~15~~th day of March, 1972.

BOARD OF COUNTY COMMISSIONERS  
MASON COUNTY, WASHINGTON
