

Solid Waste

Environmental Impact
Statement

Sanitary Landfill

RESOLUTION NO. 390

WHEREAS, the Mason County Regional Planning Council on December 17, 1973 adopted in principal the Comprehensive Plan for Solid Waste Disposal for Mason County, which Plan was subsequently refined and finally adopted by that body on March 13, 1974, and

WHEREAS, said Comprehensive Plan was adopted separately by the Board of County Commissioners of Mason County on March 26, 1974 and by the Commission of the City of Shelton on March 27, 1974, and

WHEREAS, in compliance with the State Environmental Policy Act of 1971 and as directed by the Board of County Commissioners on February 11, 1974, the distribution to appropriate agencies and release to the news media of the Draft Environmental Impact Statement for the Mason County Solid Waste Disposal Landfill was effected, and

WHEREAS, on March 18, 1974 as set forth therein the Board did examine and consider all responses to and comments on the Draft Environmental Impact Statement and directed that said Environmental Impact Statement be prepared, and

WHEREAS, on April 1, 1974 the Board, upon examination and consideration of all responses to and comments thereon prepared at its direction, did adopt the Environmental Impact Statement for the Mason County Solid Waste Disposal Landfill.

NOW, THEREFORE, BE IT RESOLVED that the County Engineer is hereby directed to file in his office and with the Board the complete Environmental Impact Statement, which will be available at any time for public examination, to make public notification of this action, and to mail copies of the Environmental Impact Statement including all comments thereon and responses thereto to the following:
