

RESOLUTION NO. 392

WHEREAS, in the operation of the Mason County Solid Waste Disposal Landfill the disposal of septic tank sludge requires special care in handling in conformity to guidelines promulgated by the Thurston-Mason Health District, and

NOW, THEREFORE, BE IT RESOLVED that the charge for the disposal of septic tank sludge is hereby authorized and established at the rate of Five and NO/100 Dollars (\$5.00) per each one-thousand gallons.

BE IT FURTHER RESOLVED that this rate shall become effective May 1, 1974 and that each established contributor of said sludge waste be mailed a copy of this resolution.

DATED this 8th day of April, 1974.
