

RESOLUTION NO. 917

Pursuant to R.C.W. 46.44.080 the Board of Mason County Commissioners hereby restrict and prohibit the use of County Road #1320 (Walker Park Road) for through truck traffic for a period of time effective publication of this notice and continuing one hundred and ten (110) days following the effective date, or until such time the restrictions are removed. The restriction shall apply to all vehicles with total registered gross weight exceeding 12,000 pounds. Permits for vehicles exceeding 12,000 pounds may be issued upon request through the office of the Mason County Engineer, Shelton, Washington.

The permits will be extended only to those persons who live east of Walker Park and would normally haul empty to and from their home. The permit system will also be extended to Service Vehicles such as garbage, fuel, and schools.

Dated this 14th day of August, 1978.
