

RESOLUTION NO. 1044
NONDEBATABLE EMERGENCY

VIDEO SYSTEM
SHERIFF'S DEPARTMENT

WHEREAS, according to the Notice of Hearing held August 27, 1979 stating that the Sheriff's Department, in order to meet Washington State Physical Plant Standards for the jail, an emergency had arisen, and no one appeared to object; and

WHEREAS, according to RCW 36.40.180 the request for an amount of \$3,476.75 to provide equipment to bring the video system for the courthouse and jail up to standards is necessary and reasonable;

THEREFORE, a nondebatable emergency exists, and the Board of Mason County Commissioners hereby grants the County Sheriff's Department, in that the request is for preservation and restoration of public property, and immediate attention to the request is necessary, they hereby grant the County Auditor permission to make the necessary expenditures to conform to the Washington State Physical Plant Standards.

DATED this 27th day of August, 1979.
