

RESOLUTION NO. 1152

Bridge Limits

WHEREAS, in conformance with procedures adopted by the Washington State Association of Counties, and in the interest of safety, Mason County makes periodic inspections of bridges on the County Road System; and,

WHEREAS, recent inspection and evaluation of the Mason County Bridges have been completed through May, 1980, and reveal the bridges listed in the table below have deteriorated to such an extent, as noted in the Bridge Inspection Report, that they cannot be certified as safe for all legal highway loads.

NOW THEREFORE, BE IT RESOLVED, that the gross loads be limited as listed below, and that lane limitations and speed limits be posted to control traffic volume and impact loading on bridges as listed, for a period of one (1) year unless this Board shall, by appropriate action based upon proper certification, modify or remove such restrictions.
