

RESOLUTION NO. 143-92

WHEREAS, the awarded contractor on the Belfair-Tahuya Road (County Road Project 1041), has commenced work on this project. The project entails the improvement of approximately 1:00 mile of the Belfair-Tahuya Road; and,

WHEREAS, the County Engineer finds the need to dispose of timber within the county right-of-way during road construction; and,

WHEREAS, it develops that merchantable timber may be salvaged to the advantage of the county during the progress of the work; and,

WHEREAS, the early expeditious removal of the timber from the right-of-way generated by the above-referenced County Road Project is essential for marketability of the timber and for the progress of the road improvement.

NOW, THEREFORE, BE IT RESOLVED that the County Engineer be hereby authorized and directed to negotiate for the sale of the incidental log lots as produced in the course of the work under County Road Project 1041.

BE IT FURTHER RESOLVED that the County Engineer shall make an effort to dispose of the timber to the best advantage of Mason County and shall also keep the Board of County Commissioners advised on the progress of this activity.

BE IT FURTHER RESOLVED that the proceeds from the sale of such timber logs be deposited in the County Road Fund.

DATED this 29th day of December, 1992.
