

RESOLUTION NO. 95-92

WHEREAS, the following Mason County Road Projects involve road improvements within existing county right-of-way limits:

CRP 1367

ANTHONY ROAD

County Road No. 62670

WHEREAS, the County Engineer finds the need to dispose of timber within the county rights-of-way during road construction; and,

WHEREAS, it develops that merchantable timber may be salvaged to the advantage of the county during the progress of the work; and,

WHEREAS, the early expeditious removal of the timber from the rights-of-way generated by the above-referenced County Road Projects is essential for marketability of the timber and for the progress of the road improvement.

an emergency exists and that

NOW, THEREFORE, BE IT RESOLVED that the County Engineer be hereby authorized and directed to negotiate for the sale of the incidental log lots as produced in the course of the work under County Road Project 1367, as referenced above.

BE IT FURTHER RESOLVED that the County Engineer shall make an effort to dispose of the timber to the best advantage of Mason County and shall also keep the Board of County Commissioners advised on the progress of this activity.

BE IT FURTHER RESOLVED that the proceeds from the sales of such timber logs be deposited in the County Road Fund.

DATED this 29th day of September, r 1992.

BOARD OF COUNTY COMMISSIONERS
MASON COUNTY, WASHINGTON
