

ORDINANCE NUMBER 85-95

AMENDMENT TO THE THE LONG-TERM COMMERCIAL MINERAL LANDS MAP

AN ORDINANCE amending the official Mason County map titled "Mason County Long-Term Commercial Mineral Lands, 1992" and the mineral lands thereby designated as specified in Section 8.52.090 (b) (1) of the Mason County Code and in Section 17.01.066 (B) (1) of the Mason County Interim Resource Ordinance Number 77-93, under the authority of Chapters 36.70 and 36.70A RCW.

WHEREAS, the Board of County Commissioners held a public hearing on August 8 and continued on August 15, 1995 to consider the recommendations of the Planning Commission, the Mason County planning staff and citizens on areas appropriate and not appropriate to be designated as long-term commercial mineral lands as directed by the Interim Resource Ordinance.

WHEREAS, the Mason County Planning Commission formulated its recommendations after a public hearing on May 15, 1995.

WHEREAS, these hearings were duly advertised public hearings.

BE IT ORDERED AND RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MASON COUNTY, THE STATE OF WASHINGTON, as follows:

That the official Mason County map titled "Mason County Long-Term Commercial Mineral Lands, 1992" is hereby amended so as to remove the designation as Mineral Resource Lands from those lands in the "Brockdale" and "Winter Creek" area and to designate additional lands in the "Winter Creek" area as follows:

The areas to be removed from designation as mineral land are within the following areas:

Brockdale Mineral Resource Area
