WHEREAS, County Resolution No. 28-92, dated February 25, 1992, limited parking on Fir Street in Union to Parallel Parking.

WHEREAS, it has been brought to the Board of County Commissioners' attention, that double and triple wide parallel parking for extended periods of time has restricted the public use of Fir Street in Union.

WHEREAS, a public hearing was held and comments were received;

WHEREAS, after due Notice and Public Hearing, pursuant to law, and after careful consideration and study of the report submitted by the Mason County Engineer, the Board finds that further restriction of parking is required to allow greater use of Fir Street by the Public.
