WHEREAS, The final plat contains Easement Provisions which reads as follows:

All lots shall be subject to an easement 5 feet in width, parallel with and adjacent to all lot lines, except that this easement shall be 10 feet in width along lot lines where lots are not contiguous for purpose of installation and maintenance of all utilities and drainage and all lot lines shall also be subject to the right of overhead easements of electric and telephone wires over portions of lots where roadway curvature causes the same to occur.
