

RESOLUTION NO. 26-00

A Resolution amending Resolution No. 154-99 establishing a reasonable processing fee for applications made under the Timber and Current Use Assessment Program.

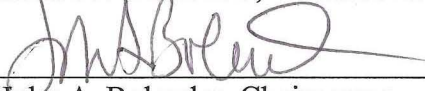

WHEREAS, at a public hearing on December 28, 1999, the Mason County Assessor recommended that an application fee be charged for various programs pursuant to chapters 84.33 and 84.34 RCW, including the Current Use Assessment Program of Farm and Agricultural Land, Open Space Land, Timberland and Designated Forest Land, and to also charge an additional \$25.00 removal fee for estimating the compensating tax due when the sole purpose for the request is for the land owners private personal use;

WHEREAS, it has subsequently been determined that a fee cannot be charged for Designated Forest Land applications under RCW 84.33, nor can a removal fee for estimating the compensating tax due be charged;

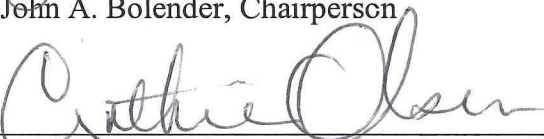

NOW, THEREFORE, it is resolved by the Mason County Board of Commissioners that \$90 is hereby adopted as a reasonable application processing fee for each application for Current Use Assessment program of Farm and Agricultural Land, Open Space Land, and Timberland, per RCW 84.34.030;
