As Approved by Resolution 84-01

WHEREAS, the volume of timber sold annually from most National Forest lands has declined precipitously, with a corresponding precipitous decline in revenues shared with counties; and

WHEREAS, the United States Congress recognized a need to stabilize education and road maintenance funding through predictable payments to the affected counties, job creation in those counties, and other opportunities associated with restoration, maintenance and stewardship of federal lands, and to achieve those goals enacted P.L. 106-393 in 2000; and

WHEREAS, P.L. 106-393 provides for guaranteed minimum payments for the benefit of affected counties, as well as an opportunity to invest a portion of the guaranteed minimum payments in projects on federal lands or that benefit resources on federal lands, or in county projects or activities; and

WHEREAS, the election to receive either the full payment amount, or instead, the traditional share of revenues, must be communicated to the Governor of Washington, who in turn must communicate the election by each county to the Secretary of the United States Department of Agriculture; and

WHEREAS, an election to receive the full payment amount is effective for all federal fiscal years through fiscal year 2006; and

WHEREAS, Mason County is an eligible, affected county with the right to make an election pursuant to Title I, Section 102 of P.L. 106-393; and

WHEREAS, any county electing to receive the full payment amount must further elect to expend an amount not less than 15 percent nor more than 20 percent of its full payment amount as project funds in accordance with Title I, Section 102(d)(1)(B) of P.L. 106-393; and

Resolution No. 80-04

WHEREAS, counties that allocate funding to projects under Title II of P.L. 106-393, and are potential participants in more than one RAC, may further direct that their Title II project funds be divided between different RACs according to an allocation decided by each participating county, with such funds held in the General Treasury of the United States under the name of the county with a designation of the amount allocated to each RAC; and

WHEREAS, Title III of P.L. 106-393 provides for county projects or services, some of which are associated with the federal lands, with Title III authorizing expenditures for search, rescue and emergency services, staffing of community service work camps, the purchase of easements, forest related educational opportunities, fire prevention and county planning, and community forestry pursuant to the Cooperative Forest Assistance Act of 1978; and

WHEREAS, Mason County is projected to benefit by electing to receive its full payment amount rather than electing to receive its traditional share of National Forest revenues;
