**BUILDING PERMIT FEE INFORMATION  
EFFECTIVE: January 1, 2009**

**VALUATION BASED FEES:**

Building permits and plan review fees are to be based upon the building valuation. Mason County will utilize the International Code Council's "Building Valuation Data" as published in the August edition of the Building Safety Journal. The square footage valuations from this table will be implemented on the first day of September following publication and remain in force through August of the following year (updated annually). For occupancies or structure types not addressed by the building valuation table please refer to Table 1. The building permit fee is based on Table 1 (as shown below) and the plan review fee is calculated at 65% of the building permit fee. The plan check fee will be collected when the building plans and applications are submitted. In addition, all other review fees and addressing fee, if applicable, will be collected at submittal. The building permit fee, and other associated fees, will be collected when the permit is issued.
